United States Conference of Catholic Bishops — Catholic Campaign for Human Development

Please be generous in this week's special collection for the **Catholic Campaign for Human Development**. In the United States, over 11% of the population lives in poverty. Through this collection, you support programs that address the root causes of poverty and provide a sustainable future for those struggling across the country. **In addition, 25% of the funds we collect remain in our diocese to fund local antipoverty projects.** Please prayerfully consider how you can support this collection and those working on the margins. More information about the **Catholic Campaign for Human Development** can be found at www.usccb.org/cchd.

There are 1.8 million Catholics and their families serving in the United States Armed Forces, enrolled in US Military Academies, being treated at 153 Veteran Affairs Medical Centers and civilian jobs beyond US borders. These men and women are served by the Archdiocese for Military Services, USA (AMS) which receives no government funding and has no parishes to rely on for support. Next weekend, our parish takes up the **"Serving those who serve" Collection for the support of pastoral care of our military**; please prayerfully consider your gift to this once every 3-year collection. More information at www.milarch.org/nationalcollection.
